

Release

1. I, The Contributor, agree to photograph myself and/or be photographed and/or recorded in moving image (video) including in a state of total nudity; and/or have my voice recorded; and understand that the photographs, video and sound recordings (herein after called 'The Product') so produced will be published on the World Wide Web and there may be subsequent releases in other media.
2. I understand that The Product may be available to web site members who pay a fee to view the content.
3. I understand that it may not be practical for Bad Media to provide me with a copy of my Product, however I may obtain a free 30-day membership to the web site, for my personal use, commencing on the day my Product goes up. I understand that passwords are not automatically provided but that I must request one, when my Product is released. I understand it is a condition of free site membership that I contribute at least one comment to the site discussion, which will appear under my site nickname.
4. I have produced, and allowed to be photographed, two forms of verifiable identification, one of which is a certified photo-I.D. such as passport, driver's licence or government issued identity pass, which show my date of birth, and;
5. That I fully complete and sign this Release at the completion of the work.
6. I, the contributor, indemnify Bad Media against any damages which may arise from the publication of my Product.
7. I agree to submit a comprehensive Contributor's Profile ('The Profile'), if requested, in a form requested by Bad Media. I understand that if I elect not to construct an Contributor's Profile, one may be created by Bad Media on my behalf. I understand that Bad Media may edit my profile for clarity, length, and originality.
8. I warrant that I am and was over the age of eighteen years at the time of creation of The Product and execution of this Agreement.
9. I, The Artist, do hereby grant Bad Media the irrevocable copyright to use, publish, edit, sample and reproduce my image(s) and audio on the internet and extend this right to any other media and data format for transmission or storage whether existing or as may be developed in the future. Bad Media may subsequently assign or license the copyright to others at its unfettered discretion.
